After more than 30 years the greatest exhibition of all times returns to New York City! Behold the legendary treasures of the boy King. For the first time in a generation, revel in the splendor of the ancient Egyptian world as we view a dazzling array of possessions unearthed from his tomb, along with antiquities representing his family and his contemporaries. Through 10 galleries and 130 artifacts, experience the world of the pharaohs like never before. See King Tut's golden canopic coffinettes and the crown found on his head when the tomb was discovered. Learn about the extraordinary discovery of Tut's tomb and the beliefs and funerary processes of ancient Egypt. View results from the latest scientific testing conducted on King Tut's mummy, and what is telling researchers about his life and death.
