Pet Census **May 2018**

A Pet Census is being conducted in your neighborhood by the Township. This Census is mandated by New Jersey State Statute.

The Census is vital for record keeping for emergency management, rabies control, and animal population control reports. If you own a pet and it is not yet licensed you should immediately obtain a license for your pet at the Township Hall. When the Census is completed any unlicensed pet owners will be notified to obtain a license for their pet. Failure to license your pet will result in the issuance of a summons, a court appearance and fines.

The individual performing this Census is simply a Census Taker and has no control over who will receive summons. Furthermore, they are not knowledgeable to answer questions.

If you have any questions, contact the Municipal Clerk's Office at 201-529-5757, Extension 4 or the Animal Control Office at 201-652-4554.

Carol Tyler
Animal Control Officer #560
