

TOWNSHIP OF MAHWAH WATER DEPARTMENT

WATER RESTRICTION SEPTEMBER 1, 2015

During the past month there has been very limited rainfall and extremely hot weather. The hot and dry weather is predicted to continue for the next couple of weeks which has lead to an increased demand on the Mahwah Water System. The Mahwah Water Department is asking the residents who sprinkle lawns, shrubbery and gardens to please abide by these restrictions. Hopefully by adhering to these restrictions the Mahwah Water Department will not have to impose any further water restrictions.

For more information you can call 201-529-4413.
