## Updates & Discussions

- Newsletter submitted: Gloria Got confirmation from Townhall we are set .
- MHS scores update : Streaming the Game live through the school website is not a good option , Getting Scores from MHS would be best and posting slides of different sports and in 3 categories would be best. ( Juv /Senior ,etc.)
- Swagit contract update: no information yet about the end of contract with optimum will follow up with Administrator
- EMS requested update for slide : Done
- Senior Center Slides updates for March: done and Michelle handling the posting on FB with Schedule option so followers are not flooded with multiple posts.
- NO cable connection at the library, only Library slides will be cycling at that location .
- Senior center has MCN on, so all slides are cycling.
- Alternate Members to MCN, Ward has resigned, Mahwah New committee Film Music & Art will be asked if they can help with filming , would make a great team .

  - Multiple pictures at events options:
    - slides with 1 group of people
    - Collage with 3 or 4 pics of specific focal points of the event.

Looking into getting “MCN” as a quick tag for FB page
